Owner/operators – Stephen Woollett & Wendy St George

You have entrusted us with the care of your precious pet and we will endeavour to make their stay as stress free and as enjoyable as we can. All the animals are housed in covered accomodation.

THE KENNELS: We house the smaller dogs inside in a fully insulated purpose designed building with the option of underfloor heating during the winter. We provide the small dogs a dog basket to sleep in. The larger dogs are housed under cover and have a kennel box. All the dogs have an individual fenced kennel area, and are taken out for exercise three times a day. The small and larger dogs have separate securely fenced exercise areas, and they can mix with other compatible dogs, or be exercised individually, depending on temperament.

THE CATTERY: Jessenka has a small semi-communal cattery. The building is insulated and has a conservatory for your pets comfort and enjoyment. On admittance each cat is allocated its own apartment with a fleece blanket, food (Royal Canin), water and a litter tray. When the cat is settled it is let out to roam around during the day. All adult male cats must be neutered.

FOOD: The daily charge includes food. The dogs are fed twice a day. We have dog roll (beef, lamb, or chicken) and biscuit products to cater for dry food and beef free diets. Cats are also tended to twice a day.

SPECIAL REQUIREMENTS: We are happy to cater for any special needs as instructed – i.e. medication and special dietary requirements (food supplied by you). If your pet requires medical attention at any time when staying at Jessenka we will arrange this, but you will be responsible for any veterinary or other costs incurred.

VACCINATIONS: All animals boarding at Jessenka are required to be fully vaccinated and have current immunity. If your pet is overdue it will need to have a booster shot and a stand-down time for the vaccine to work. Usually 14 days, check with us, as it can depend on the type of vaccine used. To enable us to maintain our records please bring your vet book.

Dogs: Distemper, parvovirus, hepatitis and kennel cough.

Cats: Feline enteritis and feline snuffles.

OPEN HOURS: We are open Monday to Saturday 8–10.30am and 4–6pm, Sunday 3–6pm.

Closed Sunday mornings, Christmas Day, Boxing Day, and New Years Day. In some circumstances an out of hours service may be available by prior arrangement only, and at a charge of \$30. Not available after 6pm.

BOOKINGS: Please leave a message on our answer phone with your name, your pet's name/s, breed, the dates you require, your phone number and whether you require us to return your call. All holiday bookings must be confirmed by us. Doggy day stay is not available on Sundays or public holidays.
